

LOBBY BOLTON COUNCIL

**Wednesday 22nd February
from 6.30pm**
South Entrance (near Wellsprings)
Bolton Town Hall
Bring friends, family and colleagues

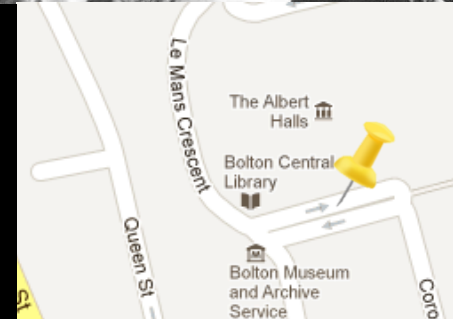

Staff at Bolton Council could suffer a further 1,000 job losses over the next couple of years, on top of the 800 jobs that have already been shed. The Council estimates that it will have to make cuts of £70 million over the next four years, which will have a devastating impact on frontline services, delivered by our members for the people of Bolton.

This is why Bolton Trades Council has called this lobby. We do not believe that these cuts are necessary. It is the bankers that got us into this mess and it is the bankers that should pay for the crisis.
